SC lead com strat v1.5.doc

Hi all -

here is the latest version of the SC lead communications strategy. Exide's potential shutdown and this action are addressed in the Q&A's.

Niloufar - the page numbers need updating since based on an email from Elizabeth, I took out the press release page.

I also tried to keep the fact sheet to one page, but I think it looks too cramped.

Kara - if you have comments, could you pass them on to Elizabeth and cc me and Niloufar?

thanks -
Wienke
